—An article in the HERALD of the 15th inst, stated that a Mr. Wilkin of Bow Creek, had been censured for bringing a charge against E. S. Stroup before the Presbytery while in session recently at this place. We are credibly informed that the statement is an error, as no such action was taken by the body.

—The Jensen Creamery Co. received during March 1,192,953 pounds of milk from 760 customers. They paid 16 cents for butter fat with an average test of 36. The patrons get back 90 per cent skim milk. The whole amount paid out is as follows: Beloit, \$3932.00; Victor, \$2357.56; Saltville, \$892.23; Scottsville, \$249.16; making a total of \$7430.95.—*Beloit Call.*

—Copious showers have fallen upon this section of the country during the past week, and yesterday the crop and fruit prospects were never better. Last night however was quite cold, and fears are entertained that fruit has suffered somewhat. Prices have had an upward tendency during the past week, reaching fourteen cents for mixed, and fifteen cents for white corn.

—The creamery business has reached huge proportions in Dickinson county. The Belle Springs Creamery Company's statement to the assessor shows that it used 22,514,211 pounds of milk last year, for which it paid \$156,550. It paid \$13,350 in wages to 30 people and manufactured 1,037,098 pounds of butter valued at \$183,400. The company's capital is \$34,000.

—Kirwin is making a determined effort to get the normal this year. The people of that town offer the opera house, school house and janitor free for the occasion, and propose to haul teachers between Agra and Kirwin free. If the people of this place want the normal held here this year, they must do as well by it as do the residents of other places. The normals are held one month this season and will be worth considerable to our young people. Can we not do as well as Kirwin?

—Last Monday night, just after dark as Al. Stearns, driver for Taylor Brothers, was returning from Stockton, he was held up, in the bottom this side of Bow Creek. A man stopped the team Mr. S. was driving, and fired a shot at him, the ball entering and passing through the forefinger of the left hand. The shot frightened the team, and it sprang forward, leaving the highwayman behind. Mr. Stearns is not seriously injured, but as the night was dark, has no idea as to whom held him up.

—A new machine is to be put into use on the Rock Island this season by Road Master Sweeney. It is a device for cutting weeds by steam power instead of using the old-fashioned hoe with a man attachment. Mr. Sweeney was in town last Friday and says they are all ready for business soon as the weed crop puts in an appearance. He has the greatest confidence in the machine which is largely his own invention, and says they can clean up the weeds along the company right of way at the rate of about thirty miles per day if the invention works as they have every reason to expect it will. The new machine will be used on the line between this place and McFarland.—*Smith County Journal.*

—Mr. Dague was sold out his paper, the Santa Paula Chronicle, and retires to private life. In his farewell he has this to say of one of our former young men:

"Before saying my final good bye, I must speak of my long time foreman and assistant editor, D. A. Webster, who is to be one of the editors of the Chronicle. "Gus" has been my trusted employe for many years. He is thoroughly honest and trustworthy, a skillful printer and an editor of discretion and honor. He knows the Chronicle business in all its details and the Ramsey Brothers are fortunate in associating him with them in the management of the business."

Mr. Dague will travel with his family during the summer.

—W. G. Bissell, known to us all as Guy, was admitted to the practice of law Tuesday last. Application for such admission was made upon his behalf by Lewis & Mahin, in whose office he has been a student during the past year. Judge Geiger appointed an examining board consisting of W. H. Pratt, R. F. Stinson and Frank McKay, which made a most favorable report of the candidates knowledge of law, and personal worth. Mr. Bissell was born in this city, and is probably the first home production to take this step. He is a hard worker, an excellent student, a most worthy young man, and will make his mark in his chosen profession. His many friends have for him only the best of wishes.
